COLMAR TROPICALE, THE FRENCH-THEMED RESORT

BUKIT TINGGI, PAHANG – Colmar Tropicale Berjaya Hills, the second property under Berjaya Hills Resort Berhad opened its door to the public for an exquisite stay in the year 2000.

Colmar Tropicale is modeled after 16th century Colmar town, north east of Alsace, France, incorporates architectural designs and elements from ancient surrounding villages of Riquewihr, Turckheim and Kaysersberg. The realization of this French themed village derived from the wish list of the Malaysia's fourth Prime Minister, Tun Dr. Mahathir bin Mohamad, who upon his visit to the region of Alsace were so impressed, that it inspired Tan Sri Vincent Tan, the founder of Berjaya Corporation Berhad to replicate the actual Colmar town in Malaysia.

All rooms and suites are designed and inspired from traditional yet sophisticated French design furnishing that offer guests an exact replica of a French town but with an affordable price.

Visitors of Colmar Tropicale will never go hungry with five F&B outlets ranging from all-day dining, La Blason restaurant, French fine dining La Cigogne restaurant, French café and bakery La Boulangerie, Le Poulet Roti that offers specialty roast chicken as main core item, a sidewalk deli Italian restaurant, La Flamme and a French pub style, Le Vin to unwind the day.
